FAI Sporting Licence:

Each competitor and team manager must possess a FAI Sporting Licence valid for the year of the championship. This licence must be registered in the FAI licences database.

<https://fai.org/sporting-licences>

The holder of a FAI Sporting Licence may be required to produce an official document bearing their photograph and signature as proof of identity.

Competition rules:

FAI Sporting Code Section 4 Aeromodelling CIAM General Rules 2026 Edition

FAI Sporting Code Section 4 Aeromodelling Volume F3 Radio Control Aerobatics 2026 Edition

Number of competitors:

48 competitors from 14 countries have registered to compete.

Rounds:

Four Preliminary rounds of P-schedule, two Final rounds of F-schedule. (Top ten from preliminaries advance to finals)

The total of the best Three preliminary flights (normalized again to 1000 points) will count as one score along with the two fly-off scores to provide three scores, the best two to count for classification.

Liability:

The organizer assumes no liability for any kind of personal injuries or material damages. Each competitor has to have her own sufficient liability insurance. The organizer is not responsible for any other injury, loss, theft or damage to persons or property.

Awards:

The top three Senior Competitor will receive the ASFC trophy, certificate, and medal.

The top three Junior Competitor will receive the ASFC trophy, certificate, and medal.

The top three National Team will receive the ASFC trophy, certificate, and medal.

As per SC4_CIAM General_Rules_2024, team placement is determined by summing the numerical rankings of each national team's three highest-ranked members from the overall competitor list. Teams with lower sums receive higher rankings.
